JUNIOR TRACK SEASON FEES

Registration is \$50.00 per child up to 2 children in a family.

Each additional child will be \$35.00 registration.

Those athletes that AV registered during Cross Country or Track Season will only have to pay \$10.

The club also has a weekly commitment to BRAC for the use of Llanberris on Friday nights.

The club offers families one of 3 payment options for the track hire fees:

1. \$30.00 for the season per child. This is a \$15.00 discount.
2. \$25.00 before Christmas then \$12.00 at the commencement of Track after the Christmas break per child. This is an \$8.00 discount.
3. \$ 3.00 per child a week for the 15 weeks. Total cost \$45.00 per child.

It should be noted that the Registration fee is a separate cost to that of the track hire.

Registration fees go towards insurance costs, equipment maintenance and certificates and medallions the children receive.

We would also like to run a BBQ every second week when daylight savings starts to help with the on-going purchase of equipment. Volunteers to help run this would be fantastic.

Thank you for on-going support of the club. Have a great track season.

Happy running

Yours Sincerely
Marita Rieniets
Secretary
